CHAIRMAN'S LETTER

MAY / JUNE 2025

Hi all,

Hope you're all keeping well; we have just returned from the Appletree event at Stratford, our first for the season and what a great time we had, Paul puts on a very good show and is very helpful to us as a club, that is why we should support him and his events the next one being in (West Point) Exeter Devon. Devon is a lovely part of the country and well worth the trip, as this is a new to us venue I would like to see a good turnout there, this makes two new venues this year along with Henley so as your committee we listen to you and have put these in the magazine for us to try.

I will be the Marshall at Exeter so please let me know of your intentions, you will be able to pay on the gate as usual at all Appletree events with our club discount.

It was a lovely week and nice to see a great turnout 22 units in total, some only staying for a couple of nights and some staying for an extra week, the weather was kind to us only raining overnight on Monday and Tuesday and part of the day. It was a very busy week for me second Marshall to Colin, parking everyone up and sorting out the electricity for those that had it. Paul Carter held a little karaoke soiree on Thursday afternoon which was enjoyed by all it just shows you only need to bring a chair, and you can have fun. I would also like to say that we have gained three new members at Stratford this weekend and would like to welcome them to the club and hope they enjoy the club as much as we all do.

We picked up our RV from where it had been parked up and with the help of Yvonne and Kevin we cleaned it at Kevins house, this was our first outing in our new RV this came with its problems first of all, working out how everything worked then the really bad smell of eggs from the taps, so dropping 100 gallon of water after just filling up and cleaning out the hot water tank with the help of Adrian, then putting sterilizing tablets in the fresh water tank proved to solve the problem of the smell, but the the hot water wouldn't come on so pulling it apart again and checking the boiler over it suddenly ignited and worked as it should all week problem solved. We also had to get ready for our first committee meeting of the year, Paul from Appletree managed to secure us a room in the middle of the camping area for us to hold the committee meeting on Saturday and our coffee morning on Sunday, so big thanks again to Paul from Appletree.

We held a raffle at the coffee morning which raised £100 for the club so a big thank you for your contributions and donations for the prizes, we will try to hold a coffee morning and raffle at every event this year (weather permitting).

The week went too quickly for us as we were stuck in the RV sorting paperwork and making sure we were ready for the committee meeting, (my first as Chairman) but we did manage the obligatory curry at the Balti kitchen (Twice), and a couple of bike rides, so it wasn't all work.

COMMITTEE MEETING

We held this on Saturday morning as we had a lot to go through, the first point being Sheryl Myall resigning as committee member and membership officer, and the appointment of Dianne Sass as the new membership officer. We also welcomed Yvonne Collins onto the committee, Sheryl was invited to stay for the rest of the meeting, but she was not allowed to vote. We went through all the regular items Legal cover, right to camp certificate, trademark, banking, magazine etc etc.

The items that I think will be of interest to you all is that we will now start a whats app group for each rally, you can opt in by giving your mobile number to the rally Marshall when informing him you have booked, and we will delete the group at the end of said rally. I would also like to inform you that we are holding a black and white theme night on Friday the 8th of August at the AGM rally, there will be a prize for the most original outfit. This is not obligatory just for fun if you would like to wear something black or white, this can be as posh as you like or just black jeans and a white shirt/top or the other way round.

We also have a new rally in Henley on Thames at the beginning of September (weather permitting), there is no electricity at this rally, and we are only allowed to run our generators for a maximum of two hours between 10.00-14.00 hrs. This is a very strict site rule, and we will be asked to leave if we break it. I know this is a four-hour window, but each unit is only allowed two hours max.

Your rally marshall for this event will be Garrie Wood so please contact him nearer the time if you want to attend, also don't forget if you want to be part of the whats app group for this rally, make sure you supply Garrie with your mobile number. The form for booking Henley will be in the next edition of the magazine. Please follow the instructions, please don't pay any money for this rally now but please let Garrie know you have booked in.

AGM

Please remember to book your place at our AGM rally, I have 31 booked so far and there are only 40 pitches available, so there are only 9 pitches left. If you're thinking, I'll do that later, it could be too late. This is a first come first served rally so please don't be disappointed book and pay now.

Please fill in the online booking form for the AGM (located on the rally list pages of this magazine).

Booking the AGM rally early ensures you a pitch with electric (if staying 7 nights). Once the form is completed, please make payment via your own online banking app entering the club's Metro bank account details.

I would also like to congratulate Wendy & Chris Riches on their golden wedding anniversary, what a great couple they make. I've heard to celebrate they have treated themselves to a new RV, so keep a look out for them in their lovely new motorhome. They are also again this year partaking in their charity event, The Benidorm Bangers rally raising money for the East Anglian Air Ambulance, what a great cause this is. Our next rally will be at Warners Newbury but probably finished by the time of reading this so lets hope we all had a good time.

Bye for now

Mark

Hoorah the club

NEWBURY MOTORHOME SHOW

Newbury Motorhome Show was held from 15th to 19th May, marshalled by Colin Cochrane and Mark Jacobs, we had 26 Units booked for the event, although two members had accidentally booked General Camping but luckily Julie from Warner's allowed them to park in the Club area.

We only had two no shows, but still had 27 Units in total as a new member joined up and parked with us.

The weather was good except Thursday which was cold and windy, but Friday onwards was sunny and dry.

We joined 3 new members and raised £66 on the coffee morning.

RV CHECK LIST

Here is some useful information for those of you that are interested in buying a new RV. Its a check list highlighting what to look out for and test, a little bit over the top but very good information and well worth doing as its your money your spending and a few minutes checking could save you a load of trouble.

Hope this helps you all Jason Kent

HAPPY ANNIVERSARY

Wendy and Chris Riches have just recently celebrated their Golden Wedding Anniversary.

Wendy and Chris met when Wendy was 15 and Chris was 17 and married a year later at 16 and 18. They have been happily married for 50 years both working together and raising a family. They have three children and nine grandchildren..

**Congratulations
to them both!**

STRATFORD UPON AVON RALLY

The Appletree Motorhome Show at Stratford upon Avon took part starting on Easter Monday, but some turned up on Easter Sunday.

The weather on Easter Monday was overcast and rain but luckily improved throughout the week and was lovely warm and sunny Wednesday onwards .

We had 22 RVs/Motorhomes attending and joined up 2 new members.

We had two cycling events going from Stratford upon Avon to Long Marston along the Avon Cycle Way a return trip of about 13 miles,we stopped and had coffee and cake at the Railway Carriage Cafe on the return.

About 13 of us had a drink in Stratford Upon Avon and a curry at the really popular Baltic Kitchen, which was a lovely evening, and we went back and had a nightcap at Marks new to him RV a really lovely Tiffin Phaeton.

Luckily about 15 of us had electric hookup at a nominal cost which was great.

The entertainment was free and really good especially the Peter Kay tribute comedian on Saturday evening.

The Appletree events seem to gain popularity as the events are in a good location and you can just turn up on the day and pay and access our Club area.

MEMBERSHIP OFFICERS UPDATE - *Dianne*

Insurance tailored around you & your RV

See how we measure up, call us on **0800 916 1288** and you could get a cheaper quote compared to online

At Adrian Flux we have over 50 years experience tailoring insurance to suit your specific needs. We don't believe in "one size fits all" when it comes to insurance, which is why you could save time and money by calling a member of our team directly.

Don't forget to ask about other ways we can reduce your premium!

Ask our experienced staff about:

- ✓ Club member discounts
- ✓ Agreed valuations
- ✓ Limited mileage discounts
- ✓ Laid-up cover
- ✓ Contents & awnings cover
- ✚ Plus much more
