CHAIRMAN'S LETTER

JULY / AUGUST 2025

Hi all,

At the time of writing this report, the sun is out, and the skies are blue, I can't believe the difference between two weeks ago in Devon.

Don't get me wrong, the weather wasn't great, but I must say we had a lovely time at West Point, Exeter Devon. It was the Appletree show, and I think we were parked in a great spot overlooking the show ground. There wasn't much to see or buy as there were not many trade stands, but I felt the entertainment was very good, you can read more about West Point in my rally report.

Now back to business not much to report the AGM rally is filling up nicely not many spaces left now. We have had a good turnout so far this season Stratford, Newbury and Newark all over 20 units in attendance, I know Devon was a little bit too far for some of you, but we still managed 8 units. I would like to hear from you guys about where would be the best places to hold rallies as I feel the committee are not getting enough feedback from you, so get your thinking caps on and let us know at the AGM where we can hold new rallies. Anyone can host a rally if it has good access, water point and an Elson dump, if you have anywhere in mind contact our rally marshal Colin Cochrane for advice.

I know Jim and Ann Bruce are holding a small rally at Mychett Basingstoke Canal from the 18th of June which has been advertised on our Facebook page as it was too late for our magazine, and too late by the time this goes to print but maybe next year if anyone fancies this one we could add Mychett to our list.

Just a little bit more news on our new trademark The American R.V. Club which was due for publication on the 29th May the solicitor has now advised me that Ray Sullivan, Bill Harper and Their ARV club has opposed this trademark even though the Harpers relinquished it in the first place, it now has to go before an adjudicator for their ruling, this is still them trying to get at us in any way they can but as we are still going from strength to strength it's quite obvious they can't beat us no matter what they do, we're like Weebles you can push us but we won't fall down.

It has also come to my attention that Ray Sullivan has been visiting our club areas and handing out leaflets at the Warners shows, I know that none of you invited him there but going by our constitution a band or expelled member cannot be allowed in our club area, if he does this again please inform the rally marshal who will ask him to leave, you are of course welcome to meet him outside of our area, if any member wishes to talk to me over this matter please feel free to contact me.

On a brighter note I have been informed that there will be a wedding at this year's AGM. I won't mention who they are but I'm sure some of you already know so I'm sure we will have great weather for the blushing bride and wish them all the happiness for their future. Just one more item for the AGM if you would like to bring a prize for the raffle. It would be very much appreciated, and just a reminder we are holding a black & white theme night on Friday the 8th (not obligatory) but there will be a prize for the best dressed person.

Bye for now

Mark

EXETER RALLY REPORT

We arrived on Sunday at about 17.30 along with Garrie & Christine rang Paul from Appletree to guide us to our parking area, we had a lovely spot at West Point at the top of the show ground with great views.

I must have had Colin Cochrane's luck as the water tap was right behind me, once we had set up, we went to the pub about 500 yards outside the gate for a lovely Sunday roast. Monday & Tuesday the other six arrived, Kevin & Yvonne being the last ones once all parked up safely, we held a pie & mash night which went down very well, everyone tried the liquor (green parsley sauce) not sure they all liked it but being my favourite, I didn't complain.

We were parked a bit of a distance from the toilets & showers, so it was a bit of a trek for the ones in the European motorhomes, Wednesday night six of us went for a meal in the Blue Ball pub, the food was lovely. Thursday Kathy and I went for a lovely drive to Beer a small village that dates to the 1300's we also drove to Sidmouth and Micheal Caine's (not the actor) Michelin star restaurant at Lympstone Manor, but we didn't go in for lunch as the prices started from £75 per person. The entertainment started on Thursday night too, Fleetwood Mac tribute band which I'm told finished at 21.30 so all in bed by 22.00.

Friday saw the start of the show itself but it was a little disappointing as there were not many trade stands, and as the weather wasn't great not too much public either, Friday night entertainment was 80's rock which Kathy and I went to about 21.00 we had a great time the band was very good we met Chris & Ann in there who also had a great night this went on longer and finished by 22.30.

Saturday, we had booked a curry night at an award winning Indian in Topsham for ten of us, the food was great, and we all had a great time, we managed to squeeze all of us into Garrie's little Mercedes and my little KA luckily it was only about 3 miles from West point. Once back at the site we ventured over to the entertainment which was a queen tribute, which went down really well it was a great night he got better and better as the audience responded to him.

Sunday we held a cream tea's coffee morning all thanks to Garrie & Christine which was lovely everyone enjoyed it, and we also had a donation box for the club which raised £62.00 so thank you to everyone that put the effort in to attending the Appletree West Point rally, I know a couple of things weren't right one being the weather but I'm assured by Paul at Appletree it can only get better.

Hope everyone had a safe journey home.

Mark Rally Marshal.

HAMPTON BAY CLUB RALLY

Our annual outing for the Hampton Bay club rally. Hampton Bay Rally was held from Saturday 5th July till Saturday 12th July, a great turnout of club members we had around 14 RVs/Campers attending at various times during this rally.

The weather for the week as everyone knows was fantastic, some rain early one morning, but dried up before we even had breakfast, then wall to wall sunshine 'scorcheo' all week with temperatures reaching 30 degrees in the shade.

We all ventured out for meals in The Hampton Inn Pub and local Indian Restaurants both great venues.

The bar on site was open every evening which made all very welcome, we attended the sites 'Quiz Night' with live entertainment on most other nights.

On the Wednesday we all did a bike ride 20miles round trip from Herne Bay to Minnis Bay where we stopped for refreshments and a lovely lunch and then ice creams (kindly provided by Garrie) before our long trip home. It was a wonderful day, there were numerous photos provided by Jim and Debbie on our Facebook page, one or two of the in inexperienced bike riders did have sore posteriors the next morning.

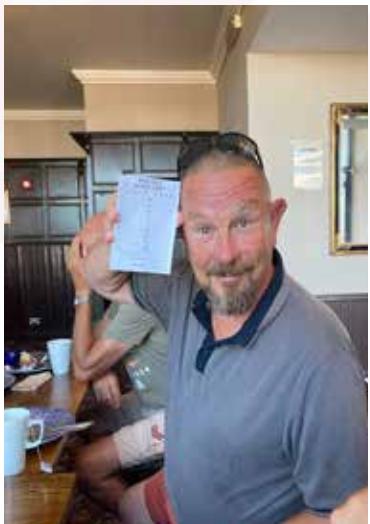

Thursday morning down to Herne Bay sea front for some of us to take on the crazy golf challenge 2 pairs of fours, won by Steve who we later found out was a 'ringer', then all off to Weather Spoons for a late breakfast, we are living the dream, they were a couple of hole-in-ones but no extra drinks at the club house.

Friday was a take it as you find it day with everyone doing their own thing, some bike riding to Whitstable and some taking it easy.

On Saturday just up the road there is a good size car boot market with many traders where bargains were brought.

We shall be doing it all again next year book early to avoid any disappointment.

Colin (Rally Marshall Officer)

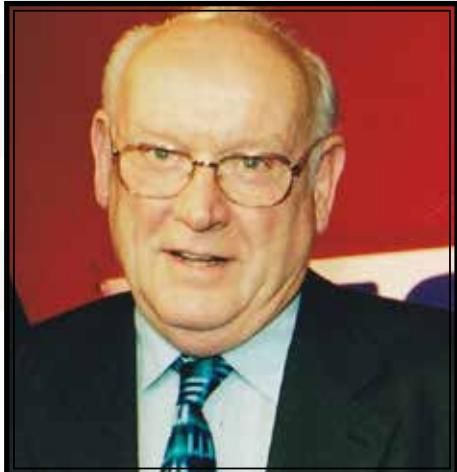

Walter Ritchie 1931 - 2024

Walter was a long-time member of the American Recreational Vehicle Club but maybe not many today will have met him and his wife, Sheena, as they only came to a few events each year with their two of their many German Shepherds over the years.

Walter was an active member of the Road Haulage Association (RHA) and served as Regional Chairman for Scotland and Northern Ireland for two consecutive years. he was also awarded Scottish Road Haulage personality of the Year and received an Industry Lifetime Achievement Award from Transport News (Scotland).

I personally have Walter to thank for badgering me into joining him and Sheena at their home on the edge of the Clyde, to train for my HGV. They and their family at the training centre, made me so welcome and got me through a tough week. I had to be up very early, or the dogs got sent in, and had a white knuckle ride into Glasgow each morning by 6am. Walter would tell me about all the history of the area on the way in. Then at the end of the day one of his sons would take me back to Walters where a meal would be waiting. Thank you so much x

I understand that making a positive impact to people's lives kept Walter's commitment and passion alive for so long, still working six days a week to the end, On the morning, he died, he was still determined to get up and go to work.... Not bad for a 92-year-old.

Greatly missed by those that knew him

- RIP Walter

NEWARK 12-15 JUNE 2025

Arrived at the showground Wednesday - clear blue sky's - will it last? Depends who you talk to!

Set up opposite the Warners marshals camping area, so best behaviour is called for!

Unfortunately, it appears we are parked as far away from the exhibitors area as possible.

Chris and Wendy join us later on, job done!

Up to another lovely looking day, a bit windy but better than predicted.

Steady flow of parking up and catching up. Everyone on the list are here by 4pm so a free day tomorrow maybe?

Its hard to believe we are mid-June and lots of people are meeting up again for the first time this year. A few new faces and some old with new buses - nice!

The expected storm hasn't arrived so fingers crossed it does miss us.

S

aturday morning saw lots of campers going on the buses to either the nearby town or on the tour. The show area was still very busy but also very condensed so whether there were more traders than usual it was hard to tell. So far, we have not bought something we didn't know we needed or already got!

Sunday coffee morning saw £20 in donations but well attended. Thanks to Chris and Wendy for the biscuits! It was lovely to catch up with everyone in one place.

We were joined by 19 members and a newbie, Hi Stuart! Might have two more new members? They went away with a mag and said they would contact Diane?

Great to see you all and maybe see you at Norwich?

John and Jane Parker (Rally Marshalls)

MEMBERSHIP OFFICERS UPDATE - *Dianne*

WELCOME

We are now part way through the season and would like to extend a warm welcome to two new members:

Barry Manning and Stewart Pawson

The weather has certainly been kind to us all and here's hoping it will continue for the AGM (annual general meeting) in August. Preceding that we have a rally at St Ives Cambridgeshire then after the AGM the Warners Western Motorhome & Campervan Show at Three Counties Showground, Malvern Worcestershire. For those who are lucky enough to be able to attend all three you will be able to have a month holidaying in your home from home.

We hope to see our members at one or more of the events to enjoy a bit of fun and laughter.

It will shortly be that time of year for membership renewal (1/9/2025) for those who like to plan ahead bank details as follows:

METRO BANK

AMERICAN RV CLUB

SORT CODE: 23-05-80

ACCOUNT NO: 49113943

Please quote your membership number when making payments.

Anyone wanting to make cheque payments, please make these payable to; American RV Club as the bank won't accept ARV club.

As the bank won't accept ARV club.!!

The magazine is sent via email but if you prefer a print copy, they are available at our rallies from committee members or rally marshals.

At the moment I have a number of key rings for members who have not yet collected them. I will be bringing them to the AGM so please check to see if yours is one of them.

Insurance tailored around you & your RV

See how we measure up, call us on **0800 916 1288** and you could get a cheaper quote compared to online

At Adrian Flux we have over 50 years experience tailoring insurance to suit your specific needs. We don't believe in "one size fits all" when it comes to insurance, which is why you could save time and money by calling a member of our team directly.

Don't forget to ask about other ways we can reduce your premium!

Ask our experienced staff about:

- ✓ Club member discounts
- ✓ Agreed valuations
- ✓ Limited mileage discounts
- ✓ Laid-up cover
- ✓ Contents & awnings cover
- ✚ Plus much more
